

The Package.

It is not my intention to cast aspersions on anyone, and therefore post this document with reservations. For it lists individuals by name. I'm not the originator of it or for one or the other here mentioned. They are mentioned by someone else for the purpose of accreditation? Or because they have first hand knowledge from one, some or all mentioned. I cannot testify to those mentioned beliefs. Please see: [5th6th7thTrumpets2.pdf](#) [7Trumpets-7Plagues1.pdf](#) [DualApplication5.pdf](#)

The following documents speak for themselves. They consist of 1). A cover letter. 2). Another (in pink) assuring that these statements are inline with current Adventism. 3). Lists several individuals specifically with a statement of their view. Of one I contacted his office for verification, sent these to his office and received no reply. 4). The 3rd is an Absurd unrecorded vision!!! If unrecorded how'd they find out. 5). A study. 6). A video. I am not here making the study or video available for time and space. I must point out the pink page I erased the background on the copier which was to prevent it from being copied. I still possess these documents.

I am sending this along to those who ordered the 3ABN John Lomacang DVD's from our ministry. I am so excited about the success of these, I felt I had to share my experience with others. As you see within the content of my conversation with Pastor Lomacang, many pastors and evangelists have come into new light and new understanding concerning the 7 Trumpets of Revelation. I am excited to share a copy of this "unpublished" manuscript by Marvin Moore, written in 1992 which confirms that Mr Moore has extremely close to the same understanding of the book of Revelation, as Pastor Lomacang.

Marvin Moore states clearly on page 105 Paragraph 2, How Ellen White Used Scripture: "We must understand that Ellen White often used a scripture passage as the best way to express her thought at the moment, without any intention of interpreting the meaning of the passage itself." Pg 106 Paragraph 4 " We must also recognize that it is the prophet who is inspired, not the words. The prophet chooses the words to express the inspired thought, and thus it is the idea expressed that is authoritative."

May you be as blessed as I was in the reading of this manuscript.

I have to share with you my telephone conversation this morning. I received a call from Pastor John Lomacang. What a true blessing.. I had sent him a letter last month telling him how many of his DVD's our ministry had given away, (2,735 sets) ; so his call was in response to my letter.

He told me some interesting things.

When faced with the disgruntled 3ABN people, he encouraged the to meet with him in a round table discussion, which they did, and it lasted 2 1/2 hours. They cried "heresy" until he could not take it any longer. They told him that he "unraveled" 100 years of Adventism in 6 hours. He challenged them to find just one single flaw in his sermons that went against the Bible or against the teachings of Ellen White. After 2 1/2 hours, with Bibles' in hand, they did not find one single flaw. They had no rebuttle,---period.

He continues to preach this sermon when asked and has a date in the Michigan conference to hold the same sermon series.

He has received a "quote" from the Ellen White Estate" that says " You distinctly outline last day events as alluded to by Ellen White in all her writings"

He says "the church needs to stop using Uriah Smith as It's "Bible".

He said that Doug Batchelor, John Carter, Marvin Moore, Ken Cox and many more are coming into the same truth about the future application of the trumpets. I had to mention the name Larry Wilson and others who had come into this new light several years ago, but unfortunately have been black-balled from the church. The timing was not right, but maybe the time is now.

He made a statement that I liked and I asked his permission to use it...
"Sunday worshipers are looking for something that is NOT going to happen,
and Adventists are NOT looking for something that IS going to happen."

He wanted to know who is going to preach this message? That someone HAS to. They had no answers. Not one of our evangelists or pastors are preaching this message and he told them it is a grave error on their part, as Ellen White says the end will come as an "Overwhelming surprise". (CG555.2) (Prophets & Kings pg 626) (Testimonies Vol8) (CC260.5) (LDE 41.4, 66.2) (Mar68.6;138.2) (8T28.1) only a few, there are more than 50 times she mentions this in my hit list.

He is so pleased with our ministry, and he gave us a personal invitation to 3ABN camp meeting so we could meet him.
